

Kaunas, Lithuania's second largest city, temporary capital, is balancing contemporary European point of view and authentic Baltic values, is strategically the most convenient meeting point in Lithuania (<http://visit-kaunas.lt/en>)

Kaunas will capture you with its green beauty, we can rest after work even in the middle of the city center – at the park of Confluence of the rivers Nemunas and Neris.

Only in Kaunas you will find the largest Oakwood park in the middle of the city and one of the oldest still-working funiculars in Europe.

We can meet in the city with great architecture, kind people and beautiful folklore ensembles.
